2018 was a great year for us. As you can see, there is plenty of activity with over 11,000
hours flown and over 3000 PIREPS submitted within the year of 2018! Congrats
to my beloved PHL for being the #1 hub for
the year again. I wanted to personally thank all of our pilots and staff for
your continued support and activity.

Lets make 2019 better!
